Hermann is 2.1 miles from the Katy Trail at McKittrick. The above numbers for Hermann include the 2.1 miles (i.e. all Hermann distances are simply the McKittrick distance plus 2.1). The distances for **Washington** are similarly adjusted by 3.4 miles (see the Washington web page on BikeKatyTrail.com for the route suggestions and other information on Washington). **Jefferson City** distances are adjusted by 2.4 miles to account for the distance from the N. Jefferson Trailhead to the Jefferson City side of the Missouri River Bridge.
